Hello,

This message is from the support desk at TierraNet.

We received the following message in regards to one of your domains [kampmann.com](#). As a one-time courtesy, we are forwarding the inquiry in case you are interested in the requestor's proposal. Be advised it is entirely up to your discretion whether you reply to them or not:

**Dear Sir or Madam,**

**my name is Stephan Meiners from Kampmann GmbH & Co. KG.**

**Kampmann is a specialist and leading manufacturer of devices for heating, ventilation and cooling. The family company based in Lingen, northern Germany, was founded exactly 50 years ago and is now international and today we are having a leading position in technical building equipment in various market segments.**

**Kampmann has specialized in decentralized air conditioning units. The core competence lies in the development and production of decentralized devices for heating, cooling and ventilation as well as the control of these devices, including integration into a higher-level building control system.**

---

**The Kampmann brand is protected.**

**Due to increasing internationalization, we would like to use the domain [kampmann.com](http://kampmann.com). Based on the registration information of this domain, we were able to find out that one of your customers registered this domain.**

**For this reason we are contacting you.**
